CASE STUDY OF THE LIBRARY/ INSTITUTION

A. This is a report of your INDIVIDUAL EXPERIENCE. Present ALL the evidence of training for each setting. (50%)

a. Evidence of on-the-job training which includes:
   i. Weekly Accomplishment Report
   ii. Photos (screen capture, selfie with detailed description in each photo)
   iii. Online Daily Time Record Form (DTRF) / Attendance Sheet (optional)
   iv. Receiving a copy of LOG (Letter of Gratitude)
   v. Certificate of Completion (COC)

B. Conclusion, Integration, and Self-Evaluation of Practicum (SEPE) (50%)

This section should present a reflective and analytical discussion of your practicum experience. Your responses must go beyond narration and demonstrate insight, evaluation, and integration of learning.

A. Description and Analysis of Practicum Tasks

Provide a detailed description of the actual tasks and responsibilities you performed at your practicum worksite. For each major task, analyze the following:

1. **Learning Gained**
   - What new knowledge, skills, or competencies did you acquire from performing this task?
2. **Work Efficiency**
   - What strategies, techniques, or tools did you use to accomplish the task effectively and efficiently?
3. **Challenges Encountered**
   - What difficulties or limitations did you face while performing the task, and how did you address them?
4. **Operational Importance**
   - Why is this task important to the daily operations and overall goals of the organization?
5. **Personal Evaluation**
   - Did you enjoy performing this task? Why or why not? What did it reveal about your interests or strengths?

B. Evaluation of the Workplace Environment

Describe and critically evaluate your practicum workplace based on the following aspects:

1. **Physical or Virtual Work Setting**
    - Discuss the layout, facilities, equipment, and overall environment (as observed virtually or on-site), and how this affect work productivity.
2. **Supervision and Work Relationships**
    - Describe your supervisors and co-workers, and evaluate how they interact with one another, particularly during meetings, training, and daily operations.
3. **Personal Conduct and Professional Behavior**
    - Reflect on how you conducted yourself in the workplace.
    - How did you communicate, collaborate, and respond to feedback?
    - How did your behavior contribute to a positive working environment?

C. Learning Integration and Self-Reflection

Reflect on the overall impact of your practicum experience:

1. **Professional Growth**
    - What was the most significant professional skill you developed during the practicum?
2. **Understanding of People**
    - What was the most important lesson you learned about human behavior, teamwork, or workplace culture?
3. **Self-Discovery**
    - What important insight about yourself did you gain (e.g., strengths, values, limitations, or career direction)?

NOTE:
All documents MUST be placed in one FILE FOLDER in the exact order stated here.
